

The Long Island Foundation for Education & Sports with Suffolk County Parks is excited to bring the game of tennis to West Sayville Country Club, Timber Point Country Club, Raynor Beach County Park

LIFFES is an organization of community based tennis programs dedicated to introducing all children to lifetime sport...tennis! Our mission is to empower all children with an instructional and **play** based tennis program. Our staff is trained by United States Tennis Association Coaches and has the experience to provide a quality experience for your child LIFFES youth Team Tennis League offers all children the opportunity to play on teams in a league that emphasize fun, friends and fitness. Our youth team tennis league provides a pathway for children to prepare to play tennis on a school team. Teams are organized to match children by age and ability. With the United States Tennis Association Quick Start games based tennis program... it's easier for children, we changed a few things...the court sizes, the racquet sizes, the balls, the scoring system and even the net height. This tennis format is tailor-made for kids. For more experienced players we will place them in more advanced groups each week. Plus, just like other popular sports, this format stresses the importance of play and team competition.

First Servers Division (Beginner Level) - Ages 4-7yrs

The Quick Start Tennis format will help children learn and play the game. Now any child can start playing tennis almost immediately- even if he or she never picked up a racquet before. Quick Start stresses the importance of play and team competition.

Aces Division-(Advanced Beginner Level) Ages 7-10yrs

The Aces Division is for children who have some tennis experience or are new to tennis. Children are divided by ability and provided basic instruction with skill based activities, games and Quick Start tennis activities including inter team matches. Children will be introduced to doubles and singles with the 10 & Under transitions courts and tennis balls.

Smashers Division (Intermediate/Advanced Level) Ages 10-14

The Smashers Division is for children who played some tennis before and want to compete on teams with their friends and get match experience. Instruction provided and children will be skill tested and placed by ability.
